This guideline is a part of the English Wikipedia's Manual of Style.. It is a generally accepted standard that editors should attempt to follow, though it is best treated with common sense, and occasional exceptions may apply. Any substantive edit to this page should reflect consensus. When in doubt, discuss first on the talk page

A square dance is a dance for four couples (eight dancers in total) arranged in a square, with one couple on each side, facing the middle of the square. Square dances were first documented in 16th-century England but were also quite common in France and throughout Europe. They came to North America with the European settlers and have undergone considerable development there.
