

narratives of memory and pdf

In incremental learning, the student usually remembers 95% of his or her top priority material. That knowledge is relatively stable and lasts in student's memory as long as the process continues, and well beyond.

SuperMemo: Incremental learning - Super Memory: Forget

A new matrix? What is the role of state-based history education in open, democratic societies, in respect to the memories that arise from the collective phenomena of war, oppression, displacement, injustice, trauma, nation building, or, indeed, everyday life?
