Discover how IBM's breakthrough technologies are transforming industries with smarter ways to do business, new growth opportunities and strategies to compete and win.

Industry Solutions | IBM

Saying that it has always been this way, doesn't count as a legitimate justification to why it should stay that way. Teacher and administrators all over the world are doing amazing things, but some of the things we are still doing, despite all the new solutions, research and ideas out there is, to put it mildly, incredible.

14 things that are obsolete in 21st century schools
