Don't write a pilot. You have to be firmly established to pull this off. IF you do want to write a pilot, however, write a second episode and submit that. 99.9% of newer writers spend the first episode setting up the characters and the setting, which leaves little room for conflict, interest, or comedy.

### **Television Script Format - Movie Outline**

Pilot Scripts Writing a pilot is one of the toughest things a TV scribe can do. It's your first episode, so you have to introduce your central character and core cast, build enough of your show's world without overwhelming the audience with backstory, create an episode "template," and communicate the show's tone.
